

## **Dan Jespersen – CV**

Dan Jespersen has over 20 years experience in the maritime industry and has in the past 15 years focused on the commercial side including financial structuring and the management of asset investments in the maritime industry. Dan is founder of 7C Shipping Ltd. Prior to this Dan was employed with V.Group, where his most recent positions were CEO of V.Ships Financial and Managing Director of AL Ships GmbH. Dan was previously employed by A.P. Moller/Maersk, where he held a number of commercial and management positions including Head of Daily Operation in Maersk Bulk and part of senior management in Maersk Brazil.

Dan has participated and led the creation of financial structures of over 50 vessels with a total value close to USD 2 Billion. A notable deal was a leasing transaction for KGAL, which won the Marine Money leasing deal of the year award.

Dan Jespersen graduated top in his class as a Master Mariner and Tactical Officer from the Royal Danish Navy Officers' Academy and also holds a Graduate Degree in Business Administration in International Management and Economics.
